Types of Ceremony

🍷 Legal Marriage Ceremony

A legal (or civil) wedding is an official ceremony that is legally binding between the couple and will be recognised here in the UK.

🍷 Symbolic Marriage Ceremony

A symbolic (or blessing) ceremony has no legal basis and is simply a blessing of the couple's commitment. The couple would need to legally get married in the UK before or after departure if they wish to be legally married.

🍷 Renewal of Vows

A Renewal of Vows (RoV) has no legal basis. The ceremony is intended to be for couples who have been married for some time and wish to renew their vows.
