Key facts

- What to bring: Comfortable and light clothing, walking boots or trainers, suncream, sunglasses and mosquito repellent.
- Language: Swahili and English.
- Entry requirements: To enter Kenya, you'll need a valid passport. You no longer need a visa to visit Kenya. All visitors are now required to apply online for an ETA (electronic travel authorisation) in advance of travel. Apply for your eTA to Kenya only on this Official Government website etakenya.go.ke. For the most up-to-date passport and visa info, visit www.gov.uk/foreign-travel-advice/kenya/entry-requirements
- Food and drink: Goat is the most widely-eaten meat among locals, but beef and chicken are readily available. Plant-based dishes include Githeri – a traditional Kenyan one pot meal – filled with white maize and beans.
- Currency: Kenyan Shilling
- Shopping: There are many street markets and stalls selling local crafts, jewelry and souvenirs throughout Kenya.
- Tour Suitability: Although this tour is classed as moderate, it may not be suitable for those with reduced mobility due to the 4x4 jeeps that are provided on game drives.
- Luggage: Due to limited luggage space in vehicles and on internal flights, suitcases are unsuitable for scheduled road safaris. We recommend luggage packed in inexpensive barrel/sausage bags or soft sided bags not exceeding 15kgs and 66x42 cm. Excess luggage can be handed over to the representative at time of briefing. Any excess baggage will be handed over to you on your return from safari so best to pack light.
- Tips: Whilst on safari, tipping is customary for drivers, guides and local escorts.

Following an early breakfast, depart towards Nairobi, following the route of the railway line built by the British late in the nineteenth century. The road passes through warehouses and workshops on the outskirts of Mombasa, climbing steadily and soon the vast plains of Tsavo become visible in the distance, with the rolling Taita Hills on the horizon. Enter Tsavo National Park at Buchuma Gate. Here the driver will open the roof of your 4x4 vehicle, and you can stand with the wind in your hair! Tsavo is the largest national park in Kenya and is split into east and west by the highway. You will arrive at your lodge in time for lunch. Enjoy some time for relaxation before setting off back into the park for your afternoon game drive. Return to the lodge as the sun sets and enjoy dinner at your lodge.

Hotel: Sentrim Tsavo Lodge, Tsavo National Park or similar

Day 4

Travelling distance:

After an early breakfast, depart to Amboseli. Join the main highway and continue northwards, passing Hunter Lodge, the site of the infamous 'Man eaters of Tsavo' incident where lions attacked the railway workers, made famous in a Hollywood film. Reach the township of Emali, you will leave the main road and head south towards Amboseli National Park. If the weather is clear, you will catch sight of the majestic Mount Kilimanjaro directly ahead. Arrive at your camp in time for lunch. After some time for relaxation or a dip in the swimming pool, set out into the national park for a game drive. Taking you across the vast lakebed often dry but still very swampy in areas. Amboseli is best known for its herds of elephant. You will often find them standing knee deep in water, spraying themselves to keep cool. But there are lots of other game here too, cheetah, buffalo, giraffe and many types of gazelles. All set against the amazing backdrop of Mount Kilimanjaro.
